All color chips are affected by light, heat and the printing process. Chips on this card may vary in color and texture from the actual product in the drum. Samples shown are based on a sand filled fortified Plexipave mix. Other textures will vary in color. Pro Purple, US Open Blue, Australian Open Velocity Blue and Australian Open True Blue are at a higher price due to high pigment costs. Special colors are available at a higher price based on pigments needed and production quantities. US Open Blue is a registered trademark of the USTA, used with permission. Australian Open True Blue and Australian Open Velocity Blue are specially formulated on behalf of Tennis Australia.
